### **Timothy J McVeigh: Formal Apology: Re: Fraud of Radical Honesty Cult**

This is a formal on the record apology for your records; via DOJ: National Security Division: Asst Attorney General Lisa Monaco; copied for your convenience and transparency to among others: Ft George Meade Garrison Commander: Col Brian Foley.

I have become aware of information and evidence proving such information as accurate; that information which I submitted to you; suggesting quasi legal options for helping to resolve the USA v Timothy McVeigh -- Denver Oklahoma: Criminal Action No. 96-CR-68-M; US Court of Appeals: Tenth Circuit: No. 98-1247 -- charges against you; were erroneous / inaccurate.

More specifically and with greater clarity than the original 2001 letter:

In my 2001 letter to President G W Bush and yourself – subsequently deleted from my laptop by unknown individuals – I requested that Pres Bush give you a stay of execution; so that you could meet with the Oklahoma City bombing victims; in an alternative venue interested in the evidence; the whole evidence and nothing but the evidence. I suggested such an alternative venue to include the founder of Radical Honesty and Radical Honesty Trainers; to help facilitate honest forgiveness and truthseeking problem solving related to the causes of the OKC bombing and US foreign policy. Such alternative venue would provide OKC bombing victims and/or victims and/or critics of US foreign policy who were (a) angry with you; and/or (b) not being provided answers to their questions by the legal court proceedings; with the opportunity to (c) express their anger and get over their anger; and once so done; and/or (d) listen to your justifications. Once they had considered your Ecology of Peace evidence; they could determine whether your actions were objectively and/or subjectively legally (a) justified, and if so: acquit you and cooperate with you to address the root causes of OKC bombing; or (b) unjustified: and convict you and sentence you and me to death.

### *Errors:*

My belief that Radical Honesty Founder: Brad Blanton and Radical Honesty Trainers would care deeply about helping to facilitate honest forgiveness and truthseeking problem solving of the -- Masonic War is Peace social contract causes of domestic militarization of police and foreign policy resource war -- causes of the OKC bombing; were incorrect. They are not sincere about facilitating honest forgiveness and truthseeking problem solving of the causes of resource conflict; between members of their own little Radical Honesty cult; let alone being willing to facilitate honest forgiveness and truthseeking problem solving related to causes of resource conflict between their cult and other – ethnic, class or religious – cults.

Put simply: I don't think 'radical honesty forgiveness' procedures can work with insincere parasitic people.

If any 'radical honesty' cult members are sincere root cause problem solver truthseekers; after they have resolved their anger through 'radical honesty forgiveness' processes; they would be quite amenable to sincerely investigating the root causes of whatever it was that caused their social conflict; and would quickly conclude that the root cause of all religious, gender, class, and ethnic resource war conflict; is a Masonic War is Peace international law social contract that allows the worlds citizens the right to breed and consume without any regard for ecological carrying capacity limits; resulting in resource depletion and scarcity and religious, gender, class and ethnic resource war conflict. They would then agree to cooperate and support each other to determine whether it was possible to abolish the Masonic War is Peace social contract; and replace it with an Ecology of Peace international law social contract.

Well the radical honesty cult use those radical honesty forgiveness procedures and it ain't helped any of them to get over their anger and confront Ecology of Peace facts reality. That could mean either (a) radical honesty forgiveness procedures don't work; or (b) radical honesty forgiveness procedures don't work on insincere people; who are only pretending to engage in the process of forgiveness to clean out their minds jail of beliefs; and confront Ecology of Peace Facts reality.

Ecology of Peace facts reality: 1. Earth is not flat; 2. Resources are finite; 3. When humans breed or consume above [ecological carrying capacity limits](#), it results in resource conflict; 4. To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict [national and international inter-cultural resource war conflict](#); humans must implement an Ecology of Peace international law social contract that restricts all the worlds citizens to breed and consume below ecological carrying capacity limits.

I imagine individuals who are sincere about addressing the root causes of resource war conflict; may be quite capable of agreeing to Ecology of Peace facts reality; without having to go through any 'radical honesty forgiveness' process of venting their rage; or may have their own process of getting rid of their minds jail of beliefs. Quite simply some form of cultural military honour or scientific intellectual integrity; or religious old believers like conscience may be quite as capable of encouraging an individual to confront Ecology of Peace Facts reality; if not more so; than 'radical honesty forgiveness' procedures.

### *Corrections to 2001 letter to President G W Bush and yourself:*

My current working hypothesis conclusion is that all that is absolutely necessary is for such an alternative venue would be (a) The 'Justice Quartus de Wet & Jury Percy Yutar mercy'

guarantee prior to the start of proceedings; that if the Judge or Jury finds us guilty; the Judge shall agree to our EoP cultural mercy preference not to waste taxpayers funds as prisoners; but the opportunity for us to be granted a two year exile to live together somewhere quietly in a village in the Siberian or similar wilderness; before the Red Army execute us by firing squad and bury us together in unmarked graves in the Siberian wilderness; (b) The judge and jury's commitment to the evidence; the whole evidence and nothing but the evidence; so that both Ecology of Peace and Masonic War is Peace parties could submit their evidence; for the Judge and/or Jury's consideration; (c) Once the Judge or Jury have considered all the Ecology of Peace and Masonic War is Peace evidence; if they determine that your Ecology of Peace actions were objectively and/or subjectively legally (i) justified, to acquit you; or (ii) unjustified: to convict you and sentence you and me – as your EoP Bram Fischer expert witness to the subjective reasonableness of your military necessity actions -- to death in Siberia; as per 'Justice Quartus de Wet & Jury Percy Yutar mercy' guarantee.

### ***Fraud of Radical Honesty Cult:***

As you are aware; at the time I was a member of the Radical Honesty culture; and sincerely believed that the founder and trainer members of the Radical Honesty culture were sincere about honestly resolving the root causes of – race, class, religion – social resource war conflict.

It has slowly become apparent to me that I was extremely naïve and that Dr. Blanton and his 'Radical Honesty' trainers are not remotely sincere about honestly resolving the root causes of – race, religion and class – resource war social conflict.

Awakening to Dr. Blanton's and Radical Honesty cultures fraud has been a slow process; such as waiting for him to notify South African courts that he wishes to withdraw his expert witness affidavits – as per [my discussion with Brad Blanton and Radical Honesty Trainers; after I filed an application with Norwegian Oslo court in the matter of Norway v Anders Breivik; on the issue of free and fair trials for everyone, white or black, rich or poor, right wing or left wing](#) -- and the perjury reasons for his withdrawal of his expert witness affidavits.

### ***Radical Honesty: 'Honour'; Cleaning Out Minds Jail of Beliefs:***

I really believed that Brad Blanton was a sincere truthseeker; more specifically that he was sincere about (a) honour and that his definition of honour was based on honesty and a world where honour and honesty is rewarded with support from the radical honesty community; and (b) his 'jail of belief'; that if or when he was confronted with information that proved any of his working hypothesis conclusions about reality to be incorrect; he would 'clean out the trash belief' in his mind; and let everyone know he had cleaned out the trash belief in his mind; and replaced it with new more accurate working hypothesis conclusion.

I was profoundly affected to create this working hypothesis that was almost, if not; truly a belief in Brad's sincerity about honour and living honourably and honestly; by Brad. I remember sitting in a workshop and it was near the end of the workshop and Brad was sobbing like a baby; talking about radical honesty and honour; and that maybe he had not accomplished much or become a success according to conventional materialist principles of success; but he had no conscience problems; because he knew he had lived an honourable life; he had been nothing but brutally honest with people he loved and cared about and related to; he had not lied to them; he could depart this planet and know: I told the truth to people I cared about and worked with; irrespective of the consequences and I supported other truth tellers; and worked with them to create a world where honesty is rewarded.

It was one of the foundations for my willingness to risk so much to support him; to show him that I sincerely believed that he was sincere about the co-creation of a world where honour and honesty is rewarded with support from the radical honesty community. I would provide him with such support; inform the world and people whom I thought may be interested in an honest and honourable world, about the work he was doing; so that they could cooperate and we could create a different world; where honesty and honour are rewarded.

I cannot tell you how many times he has regurgitated the importance of getting over the 'jail of belief'; that if or when he was confronted with information that proved any of his working hypothesis conclusions about reality to be incorrect; he would 'clean out the trash belief' in his mind; and let everyone know he had cleaned out the trash belief in his mind; and replace it with new more accurate working hypothesis conclusion. His books: *Radical Honesty*; and *Practicing Radical Honesty*; and his workshops deal with the issue over and over again.

I was wrong. My repeated efforts to inform Brad Blanton and his Radical Honesty trainers how and why I considered them to be engaged in fraud; giving them the opportunity to respond to me and clarify where or how I was in error; were ignored; except for Mike Lewinsky who responded that Radical Honesty is not about honour, making clear agreements, keeping those agreements; i.e. fully informed consenting agreements; Radical Honesty is about living without rules. #### *Re Radical Honesty Honour:*

I don't know if anyone else in the Radical Honesty cult actually ever considered Brad Blanton to be sincere about honour.

As noted in legal documentation filed on 17 October 2013; I no longer think that Brad Blanton or any Radical Honesty Trainers are or ever were sincere about honour.

Put simply I don't think Brad Blanton or Radical Honesty Trainers would be interested in making fully informed consenting agreements; about cooperating to make rules to live by that are based upon confronting ecological carrying capacity limits and fully informed consenting agreements; because they care about honourable living with their fellow cult members; let alone with members from other cultures, races and religions.

I doubt you'd get them to cooperate to make rules to live by that are based upon confronting ecological carrying capacity limits and fully informed consenting agreements; if you stuck a gun to their heads.

Two days ago a seven year old African child pointed a gun at my head. I was walking my dogs to the forest. When I crossed the road there were a few young African children playing. They followed me and the dogs and one called to get my attention. 'Aunty' he called. So I stopped and turned around. He was about seven and had a pistol in his hand which he pointed at my head. It appeared as if he was attempting to play child soldier and intimidate me in front of his fellow child soldiers. I asked him what he wanted and why he was pointing a gun at my head; and that he should be careful about pointing a gun at someone; cause some police officers don't care about whether you are a child, if you are pointing a gun at them or someone else; they simply shoot first and put a bullet through your brain and ask questions later. If you going to point a gun at someone's head; you better be willing to pull the trigger or apologize for pointing a gun at their head. He said 'sorry aunty; its just a pellet gun'; and stuck it into his trousers. It looked very much like a real pistol to me; but I didn't start an argument about whether his gun was real or not. I asked him about what his

mother thought about him having a gun; and where she was. He was a twin. His mother was dead and he and his brother were living with his grandmother.

I don't have a gun to stick to anyone's head; but as overpopulation and overconsumption collides with declining resources; more and more people; including children; will be sticking guns to other people's -- including children's -- heads.

*Re Radical Honesty Cleaning Out Minds Jail of Beliefs:*

I don't know if anyone else in the Radical Honesty cult actually considered Brad Blanton to be sincere about cleaning out his mind's jail of fundamentalist beliefs.

I no longer think that Brad Blanton is or ever was sincere about cleaning out his minds jail of fundamentalist beliefs; and I don't think any Radical Honesty Trainers are or ever were sincere about cleaning out their minds jail of fundamentalist beliefs.

They say their primary reality is based on 'noticing'; but no matter how much information and evidence you provide Brad Blanton and his Radical Honesty cult trainers that the earth is not flat; that it is round and that its resources are finite; the more they refuse to include it in their 'noticing' about reality.

**Jason Brent LinkedIn Invitation**

Thanks for the LinkedIn invitation; but I am not a member of LinkedIn.

By the way; I have shared excerpts of your book: *Humans: An Endangered Species with EoP Applicants* [PDF].

I am in the process of attempting to find professional qualified Assistance of Counsel for the EoP Applicants; and have written to various Judges, lawyers and paralegals asking them whether they would consider being EoP Applicants legal counsel [[PDF](#)]. I have not received any positive responses.

I can send you an invitation; if or when I decide to resume attempting to find professional qualified Assistance of Counsel for the EoP Applicants.

An EoP international law social contract is not the most important necessity on my Military Necessity list.

I have lived a life that has been pretty close to or below ecological carrying capacity limits: I have not bred any children; and consumed close to or below ecological carrying capacity limits; and spent most of my adult life attempting to educate humans to breed and consume below ecological carrying capacity limits; not only in words; but also in actions; some of which has resulted in me being placed into prison and mental institutions; for my efforts. So I have no guilt about the rape of the planet. Allot of sadness yes; but no guilt.

I have been ready to depart this planet for 14 years; I have simply had one simple request; to spend two years in a village in Siberia with the man I love before we depart the planet together.

**Req for Info: Application for Reduction / Exemption of Membership & Assisted Suicide Fees**

I have read your brochure and understand the following:

In order to access Dignitas service of an assisted suicide, I have to: (a) be a member of DIGNITAS, and (b) be of sound judgement, and (c) possess a minimum level of physical mobility: sufficient to self-administer the drug.

Because the co-operation of a Swiss medical doctor is absolutely vital in obtaining the required drug, further prerequisites mean that I must have (a) a disease which will lead to

death: terminal illness, and/or (b) an unendurable incapacitating disability, and/or (c) unbearable and uncontrollable pain.

A personal, signed letter to DIGNITAS, preferably typed, in which the member asks for an accompanied suicide with the help of DIGNITAS. The letter must state the reason(s) for making the request and must describe the member's present physical condition and how it affects them:

- ❖ A biographical sketch describing my situation with respect to my next of kin. Dignitas and the doctors assessing my request will use this information to get a clear picture of my personal background and family circumstances.
- ❖ One or more up-to-date medical reports together with two or three older ones. These reports must provide substantial information on the case history, diagnosis, and - if possible - actual and suggested treatment / measures as well as prognosis. The most recent report must not be more than three to four months old, and all reports must be clearly legible. Pictures, such as x-ray films etc., and laboratory analyses should not be included.

### ***Membership & Assisted Suicide Fees & Exemptions:***

I am not currently a member; and request exemption under 'modest economic circumstances' statutory provisions.

I understand to become a member I need to pay one-off joining fee: CHF 200 and minimum annual member fee: CHF 80; and should only pay these fees once my membership registration has been confirmed.

Alternatively Dignitas statutes make provision for a reduction of - or even complete exemption from - membership fees for members who live under modest economic circumstances: this provision also applies to the additional contributions associated with preparing and completing an assisted suicide. However, it is essential that any reduction of or exemption from contributions is discussed and agreed beforehand between the member and Dignitas.

I personally do live under very modest economic circumstances, and if possible request an application form to apply for reduction and/or exemption of membership and assisted suicide fees.

### ***Sound Judgement***

I am of reasonable sound judgement.

### ***Physical Mobility:***

I possess the required minimum level of physical mobility.

### ***Disease, Disability or Pain:***

The most applicable factor would be unbearable pain.

I can confirm that for a long time, extremely aggravated since 2001 I have experienced and continue to experience unbearable sadness pain.

I request Dignitas to help me to die in dignity by means of assisted suicide.

I understand that you require a personal signed letter; with much more detailed information and evidence in support of such information; after I am confirmed as a member.

Could you clarify what information you require to make a decision about 'modest economic circumstances' reduction and/or exemption?

Do I need to provide you with my personal signed letter before my modest economic circumstances request for reduction and/or exemption of membership and assisted suicide fees is resolved?

Respectfully
